TO WHOM IT MAY CONCERN

Thorbjørn Jensen is an academic member of staff at our Adult Education Centre with app.160 teachers and 2000 students.

He is a most competent teacher of Biology and Physical Education. In addition, over the years, he has been constantly involved in planning and arranging social and cultural events for students and the staff. He is a frequent organizer of extra curricular activities, competitions and sports activities at the school.

Thorbjørn Jensen is an appreciated member of staff, and his commitment in further education within the field of physical education and health education is very important and valuable for the school.

Yours sincerely,

Birgit Kjeldgaard
Principal
