To Whom It May Concern.

As a member of TRI-4 triathlon club's board during 2000 – 2003 I have the pleasure of giving Thorbjørn Jensen my very best recommendation. Thorbjørn acted as a swim instructor for TRI-4 from 1997 to 2004.

In that period TRI4 grew from a medium sized triathlon club to the biggest and probably the best triathlon club in Denmark attracting the best as well as new triathletes. One of the major reasons behind this was skilled and committed instructors who were capable of teaching the broad spectre of triathletes.

Thorbjørn was an important part of the instructor team. He contributed through his skills from his graduate education as well as his own experiences as one of the top triathletes in Denmark to swim training that were among the best among triathlon clubs in Denmark.

Based on this I'm giving Thorbjørn my very best recommendation.

Yours sincerely
